## Youngstown man sentenced for the death of former YSU football player

(YOUNGSTOWN, Ohio)-The Mahoning County Prosecutor's Office announced that 20-year-old Adrienne Washington was sentenced to 8-10 1/2 years behind bars for causing a fatal crash that killed 24-year-old Darius Shackleford.

Washington entered a guilty plea for two charges:

- Involuntary Manslaughter – Felony of the 1<sup>st</sup> degree
- Failure to Comply with an Order or Signal of a Police Officer – Felony of the 3<sup>rd</sup> degree

In February of 2020, Adrienne Washington was driving north on Albert Street when he ran a red light, but before an officer could pull him over, he already ran into a Shackleford's parked vehicle. Shackleford died in the crash. Washington fled from the scene. He turned himself in a few days after police charged him.
