Dear Judge Krichbaum,

I would first like to extend my gratitude for the opportunity to play a role in the judicial process. The experience is one that will not be forgotten. The opportunity to perform a civic duty in such an important part of our society was a true benefit that I was happy to be able to perform. The judicial system is the glue that keeps our society from ruins, and I value it at its core.

*"All the rights secured to the citizens under the Constitution are worth nothing, and a mere bubble, except guaranteed to them by an independent and virtuous Judiciary"-President Andrew Jackson*

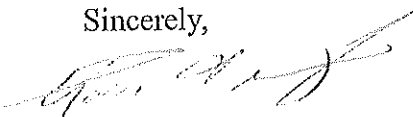

On June 13, 2024, our group of jurors had the opportunity to tour the Mahoning County Justice Center. The tour began with Sherriff Jerry Green and Captain William Cappabianca giving us an overview of the Sheriff's Department and the role that they play in keeping law and order in our county. I was very impressed with the time that they gave us and also the thorough explanation of everything that they do. Both the Sherriff and his Captain were happy to answer any questions that we had and seemed grateful that we were there.

Following their discussion, we were led through the jail by Commander Ken Kountz and Sgt Ann Wallace. They spent adequate time with us and were always available for any questions. I was very impressed with the sincerity that they expressed. They took us into the different pods and also let us go into the maximum-security pod.

I was very surprised by the cleanliness within the jail. There was a fresh coat of paint on many of the walls and the facility seemed to be very well maintained. The command center was alert and attentive to any problems that could present danger to any inmates or deputies. The medical center and its staff were very informative of what their daily tasks are.

Overall, the jail was very well maintained, and the Sherriff and his department have done an impressive job in making sure that Mahoning County's tax dollars are being well spent.

Sincerely,

Rocco Nolfi
